#### Apprehension and Interview

21. At around 8:45pm, Officer Demarqueis Harvey with IMPD was in a fully marked police vehicle near the 5600 block of Ray Street. Officer Harvey observed a black male wearing red jogging pants and a neck gator on his neck. Officer Harvey stopped and exited the vehicle. Officer Harvey asked the black male to come towards him. Officer Harvey asked the individual to place his hands behind his back and notified other officers, by way of broadcasting over his

IMPD radio, of the detention of an individual matching the description of the earlier robbery suspect.

22. Officer Harvey began to place handcuffs on the black male, but the black male turned around and attempted to fight Officer Harvey. After a brief struggle, Officer Harvey was able to secure the black male. Officer Harvey located a black handgun (Taurus 9mm, serial #TJ0489550) in his right pants leg around his ankle. The black Taurus handgun was loaded with a total of 6 rounds and did have one round in the chamber. Officer Harvey also located a plastic container with an undetermined amount of US Currency inside his pants. Also recovered was a black ski mask, black rubber glove, grey cloth glove, and some receipts. The black male apprehended by Officer Harvey was later identified as Alfred Cunningham.

23. IMPD Detectives responded to the scene of the apprehension. Detectives confirmed that the individual apprehended was Alfred Cunningham and that Cunningham was wearing clothing that substantially matched the clothing worn by the Dollar General robber. Additionally, Detectives confirmed that the plastic container, in the possession of Cunningham, was the same plastic contained removed from the Dollar General safe earlier that night.

24. IMPD Detectives transported Cunningham from the apprehension site on Ray Street to the Robbery Office located inside the Indianapolis City-County Building located at 200 East Washington Street, Indianapolis, Indiana. Cunningham was placed inside an interview room and agreed to waive his Miranda rights and speak with IMPD Detectives.

25. Cunningham stated that his girlfriend, Michelle Rutledge, was having financial problems and needed money. After questioning from Detectives, Cunningham admitted to committing the Dollar General Robbery earlier that evening. Cunningham stated that he went into the store and walked around the interior to confirm that no customers were inside the store

prior to committing the robbery. Cunningham said, after a while, he approached the counter and told the employee there to open the register and the safe. Cunningham stated that one employee opened the safe, removing a plastic container with money in it, and the other employee handed him the money from the register. After obtaining the money, Cunningham ran from the store. Cunningham admitted that he had the firearm during the robbery. Cunningham said the gun was in the waist band of his pants and that he had his hand on the gun but stated the firearm was not pointed at anybody.

26. Detectives then questioned Cunningham about other robberies they believed him to have committed. Cunningham admitted to having committed the robbery of the Dollar General located at 7222 Rockville Rd., Indianapolis, Indiana on January 16, 2021. Cunningham also admitted to committing the robbery of the Phillips 66 located at 6455 W. Washington Street, Indianapolis, Indiana on January 20, 2021. Cunningham denied committing any other robberies.

27. All of these events occurred in the Southern District of Indiana.

**Conclusion**

Based on the information detailed above, I believe that there is probable cause that Cunningham violated multiple counts of Title 18 United States Code, Section 1951(a) and 924(c).

Accordingly, I respectfully request the Court to issue a criminal complaint and arrest warrants charging Cunningham with these offenses.
